## LUSTROUS

The Outdoor **lustrous** White & RGP LED strip lights to come as a 50meters roll.

A silicone cover protects the strip from splashes of water and foreign elements.

Sometimes referred to as "LED tape lights," the flexible design of LED strips means the lights can be installed in basically any space you can imagine.

The **IP65** protection not only allows the lights to withstand jets of water but also makes them extremely easy to clean.
