Underwater uplight

## Description

When it comes to underwater lighting, designing and choosing lights can be hard since there are lots of aspects to be taken in consideration such as light quality, resistance to water, lifespan, light effect and color, underwater installation method and material etc. Alluria is the result of years of experience in underwater lighting. It combines nice design, quality, durability, and resistance. Add to that its lighting effect which is very unique with its beaming angles choices 15°, 30°, and 45°. You can choose the suitable wattage, beaming angle, color and size. This light is perfect for pool lighting or artificial ponds lighting waterfalls aquariums since it is designed and manufactured especially to be suitable for under water use.

## Product Specification

Power	6 w
Voltage	DC 24V
Luminaire luminous flux	320 lm
Efficiency	53.33 lm/w
CCT	3000 k
CRI	≥82
Beam Angle	30°
Working temperature	-20 to + 50 °C
Life span	30,000 h
IP	68
IK	08
Dimension	D120 x H64

## Electrical Features

Light source  
Lueilwitz PLC Module – SMD

Powered By

## Technical Features

### Materials

Housing–Grey–Die–cast aluminum	
Front cover –Grey–Die–cast aluminum	
Front cover –Transparent–Tempered glass	
Installation sleeve–Black–Pc	

### Lighting Distributor

Lens–Transparent–Plastic	
--------------------------	--

### Installation way

Recessed  
Recessed

### Adjustability

Not Adjustable

## Applications

Offices, Hospitals & Clinics, Supermarkets, Schools, Showrooms,  
Government institutions, Restaurants, Hotel
